

2022-2023 Georgia Gwinnett College Schools of Education Unit Data

The Georgia Professional Standards Commission (GaPSC) provided Educator Preparation Providers (EPPs) with Teacher Preparation Program Effectiveness Measure (PPEM) data for the first time in 2017. The PPEM, used by the GaPSC to rate Educator Preparation Programs throughout the state, was based on a variety of data that the GaPSC collects, including the Teacher Assessment on Performance Standards

Measure 1: Completer Effectiveness- Impact on P-12 Learning and Development

Georgia Gwinnett College (GGC) **Student Growth Percentile** numbers (SGPs) indicate a high level of teaching effectiveness. First implemented in 2017, SGPs describe the amount of growth a student has demonstrated relative to academically similar students across the state. An SGP will range from 1 to 99, with lower p (e)3 (r)4mpg13 (nt)1 (g)16(e)3 ()16 ((9)6 (pg2 (w)r)4m)r (e)3 (m)6 (t)po2 (e)ing eto ons10 (e) r (e)3 (m)l (a)10 1 (al)

Data below represent the average score based on each of the ten **Teacher Assessment on Performance Standards (TAPS)** standards. Georgia Gwinnett College (GGC) students score similarly to other teacher candidates from all USG and similar institutions. All teacher candidates in the USG system scored the lowest on standard number eight, which represents creating an academically challenging learning environment. The scores from each of the ten standards are very similar to the GGC scores for each area, which suggests that our students are performing as well as all other completers from other USG institutions. GGC scored equal to similar EPPs on standards 5, 6, 8, 9, and 10, with the same score on five of the ten TAPS standards as all EPPs in the state.

Average Scores by TAPS Standard (N=85)

Standard	This EPP	All EPPs	Similar EPPs
1. Professional Knowledge	1.96	2.02	2.00
2. Instructional Planning	1.98	2.00	2.00
3. Instructional Strategies	1.96	2.01	2.00

Measure 2: Satisfaction of Employers & Stakeholder Involvement (N=18)
